LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY RELOCATION OF 8-INCH-DIAMETER WATER MAIN ON SADDLE PEAK ROAD

As a result of the February 3, 2005, rainstorm, a landslide occurred at Saddle Peak Road approximately one mile east of Schueren Road in Waterworks District No. 29, Malibu. The landslide necessitated relocating approximately 400 feet of 8-inch-diameter water main to above ground until the road is repaired. Steve Bubalo Construction Company, Inc., was called to assist District staff to relocate the water main. The work was completed on May 11, 2005, at an estimated cost of \$60,000.

Steve Bubalo Construction Company, Inc., is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
